Giving Shape to Ideas

Introduction of PLANETARIA TOKYO

Planetaria Tokyo is a premium planetarium that invites viewers to make the starry sky part of their lifestyle. Enjoy this total-entertainment facility, with its Dome programs, café and gift shop.

 **DOME 1** Digital Multi-purpose Theater
Enjoy high resolution images

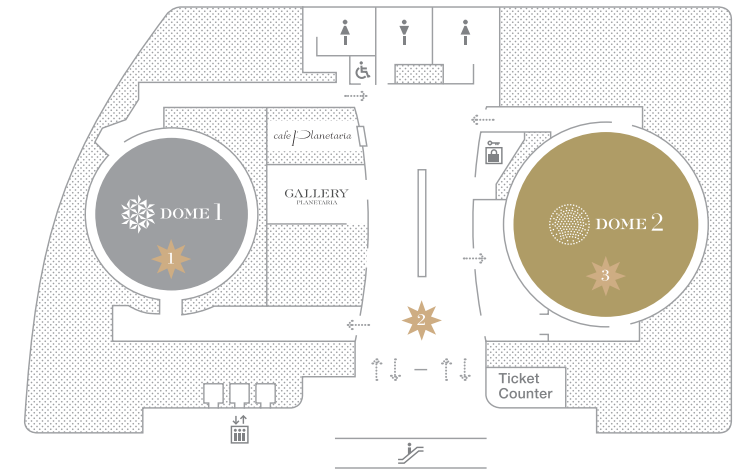

The Digital Multi-purpose Theater offers you the opportunity to enjoy 8K high resolution images. The fulldome screen features an extreme wide field, extending from the floor to the ceiling. This interactive planetarium offers a combined experience of images, performers, live music or events.

 **DOME 2** Planetarium Fulldome Theater
Presenting the most realistic and beautiful starry sky

The Planetarium Fulldome Theater reproduces the most realistic and beautiful bright stars in the ebony night sky. The SOUND DOME® stereo sound system allows you to hear subtle sound movements, and the premium Galaxy seats enable you to enjoy the starry sky in a relaxing position. Enjoy an out-of-the-ordinary experience in the embrace of the starry sky.

 Here are some points for enjoying PLANETARIA TOKYO even more.

POINT
 Eating and drinking
in the Dome Theater

Food and drink purchased at the café may be taken inside DOME1 to enjoy while watching images on the fulldome screen.

POINT
 Photo spot
[Solar System
Planet Relief]

On the ceiling is a relief replica of the planets as they were positioned when Planetaria Tokyo opened on December 19, 2018. Be sure to take a photo!

POINT
 Healing fragrance of aroma
[Healing Planetarium
programs]

Aromas are formulated to go with the starry skies of the different shows. Savor this special time in the Healing Planetarium.
